

THE ULTIMATE MUSIC-QUIZ CONTEST

Who Wants to Be a Millionaire? is a quiz show that is popular all over the world.

With this project you and your team have the chance to become quiz champions! But first, you have to create a quiz yourself!

YOUR ASSIGNMENTS

1

You will work together in mixed groups and meet up with your group members from the partner class for a video chat. Together, consider the following questions:

- Which music topic are you interested in?
- What music topic do you know something about?

As a team, decide on a topic. You can choose your own topic or pick one from the list your teachers have put together. Each group should have a different topic.

YOUR MUSIC TOPIC:

2

Write down everything you as a group know about this topic.

THE ULTIMATE MUSIC-QUIZ CONTEST

Design your quiz questions. You probably all know the quiz show *Who Wants to Be a Millionaire?* If not, look for short excerpts from the German and American versions on YouTube and watch them together.

You can create the quiz in the free app *learningapps.org*. You will need to create an account first. Choose the template *The Millionaire Game*. You will need six quiz questions, from very easy to difficult, and four answer choices for each question: one correct and three incorrect ones.

4 

Is your quiz ready? Then have a few students from other classes at your schools and/or friends test it. They should be easy at the beginning, then more difficult at the \$250,000 and \$1,000,000 levels. It should be possible to answer all questions.

5 

QUIZ TIME! Meet in groups or as a full class and test your music knowledge in the quizzes you created. Can your group win the million?
