

PROJECT EVALUATION FOR TEACHERS

1. Were the goals of the exchange achieved?

Yes

Partially

No

Why or why not?

2. Was I able to complete everything within the recommended time? Did any activities require more or less time than expected?

Yes

Partially

No

What took longer than planned?

3. Which activities worked especially well? Which are worth repeating?

4. Did the students seem to enjoy the exchange?

Yes

Partially

No

Where did I notice the students having fun?

Where did I notice the students not enjoying themselves?

Which activities did not go exactly as planned?

What kind of verbal feedback did I receive from the students? Was it generally positive or negative?

PROJECT EVALUATION

FOR TEACHERS

5. Did the students' language skills improve?

Yes

Partially

No

How did I evaluate their improvement?

8. Which topics did the students find most interesting?

6. Did the students' interest in the partner culture increase?

Yes

Partially

No

How did I evaluate their interest?

9. Which additional topics might I include in an upcoming exchange?

10. How can I make the exchange even more environmentally sustainable?

7. Do my students think positively about the project now that the exchange is over?

Yes

Partially

No

How did I check this?

11. Additional notes?
