

Goals
You know how the partner class's
school conducts sports.
Language Learning Goals
You can ask questions about the
content of a school subject.
You can exchange opinions on the
purposes and goals of a school
subject.

WHAT ARE SCHOOL SPORTS LIKE WHERE YOU LIVE?

School Sports! For many, athletics are the absolute best part of school. But for every student enamored with sports, there's at least one who dreads them.

How do the students in your partner class participate in sports? What do they play? How do they feel about the way physical education is taught at their school?

YOUR ASSIGNMENTS

1 

How do you feel about sports as a school subject?

Consider the following aspects:

HOW OFTEN

WHAT GAMES ARE PLAYED OR WHAT EXERCISES ARE PERFORMED

HOW THE CLASS IS GRADED (AND WHETHER OR NOT IT SHOULD BE)

POSITIVE ASPECTS OF SCHOOL SPORTS

HOW SPORTS AS A SCHOOL SUBJECT SHOULD BE CHANGED

WHAT ARE SCHOOL SPORTS LIKE WHERE YOU LIVE?

2 In a group of students from your class, brainstorm questions you'd like to ask your peers in the partner class.

3 Arrange a video chat with the students in the partner class.
Briefly introduce yourselves and before taking turns asking and answering questions.
Take notes on their responses.

4 Meet with the other groups in your class and compile your notes into a single document.
Your teacher will give you a link to the class document.
